FOREWORD

Phonology: Journal of English Language and Literature Scientists is a journal intended for the publication of scientific articles published by the Indonesian Literature and Language Research Association. This journal is Phonology: Journal of English Language and Literature Scientists which is peer-reviewed and open. The fields of study in this journal include the sub-groups of Indonesian and Regional Literature, Language Science, Foreign Language Science. Phonology: Journal of English Language and Literature Scientists accepts articles in English and Indonesian and this journal is published 1 year 4 times (March, June, September and December).

Phonology Center : Journal of English Language and Literature Studies publishes the only paper that strictly follows guidelines and templates for manuscript preparation. All submitted manuscripts will go through a double-blind peer review process. The paper is read by editorial members (according to their area of specialization) and will be screened by the Managing Editor to meet the criteria required for publication. The manuscript will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their area of specialization. Center for Phonology Publications : Journal of English Language and Literature Scholars has reviewed the form to keep the same items reviewed by two reviewers. Then the editorial board makes a decision based on the reviewers' comments or suggestions.

Reviewers provide an assessment of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, review articles/literature reviews, case reports and concept or policy articles, in all scientific fields of the Indonesian Literary Sciences family and Regional, Linguistics, Foreign Languages. The articles that will be published are original works and have never been published. Incoming articles will be reviewed by a team of internal and external reviewers.

The Editorial Board will continue to strive to improve the quality of the journal so that it can become an important reference in the development of science. The deepest appreciation and thanks to Mitra Bestari together with members of the Editorial Board and all parties involved in publishing this journal.

Regards,

Chief Editor
